## **Thermal Life® Far Infrared Poplar Therapy Saunas**

### **ARE YOU TOXIC?**

#### **Do You Have Any of the Following Symptoms?**

- Fibromyalgia
- Chronic Fatigue
- Chronic Headaches
- Migraine Headaches
- Brain Fog/Poor Concentration
- Anxiety
- Cold Hands & Feet
- Night Sweats
- Depression
- Dark Circles Under the Eyes
- Candida
- Metallic Taste in the Mouth
- Digestive Problems
- Inability to Gain or Lose Weight
- Insomnia
- Chemical Sensitivities
- Rashes
- Allergies
- Tremors
- Frequent Colds or Flu
- Joint Pain
- Mood Swings
- Cellulite
- Acne
- Burning Skin
- Poor Dexterity
- Memory Loss
- Muscle and Joint Pain
- General Malaise / Feeling Sick All Over

Many of these symptoms can turn into more serious conditions if toxicity is left untreated.

If you have ANY of the above symptoms, you may have chemical or heavy metal toxicity and should consider the Thermal Life® Far Infrared Poplar Sauna and related therapy.

The Thermal Life® Far Infrared Sauna helps rid the body of toxins and restores natural health.
